Havant Borough Cycle Map

Havant

BOROUGH COUNCIL

Welcome to the 2024 edition of the Havant Cycle Map.

The map has been updated showing new routes within the Borough of Havant.

New cycling infrastructure on this map reflects significant investment in upgrading routes in Havant town centre (along Elmleigh Road), carried out under the Transforming Cities Fund project; extensions to the east-west route along Purbrook Way, west of the A3M; along Barton's Road in Leigh Park; and a long awaited upgrade on the northern section of the Hayling Billy Trail on Hayling Island.

This map is also available on the Council's website for download, and as updates are made these will be posted online. The information in this map can also be viewed online through the cyclestreets.net website

Map produced in partnership with:

- Bus interchange
- Ferry terminal
- South Downs National Park boundary
- Woods and forests
- Parks and other open spaces
- Countryside and arable
- School or college
- Shopping area/Retail park
- Blue Flag beach

Cycle Safety

- Use paths shared with others considerately, and always consider your speed around them.
- Do not assume people have seen or heard you.
- Take care around horse riders, leaving them plenty of room - especially when approaching from behind.
- Cycle at a speed safe for you and those around you. Don't let personal challenges place you or others at risk.
- Slow down where space is limited, where there are crossings or junctions, or you cannot see clearly ahead.
- Have a bell on your bike - and use it to avoid surprise.
- Don't ride in dull or dark weather without lights.
